Eliquis - Understanding your out-of-pocket costs and options

This guide provides information about medication pricing, savings programs and other resources that may help you afford Eliquis.

	Eliquis/Apixaban
Self-pay Discounts	**$280 30-day supply (60 tablets)** at D-H Pharmacy at Centerra or D-H Pharmacy Home Delivery through the Prescription Advantage Program.
Commercial Insurance	**Co-Pay Card:** Eligible patients can pay as little as $10 for an initial 30- or 90-day supply (additional fills may cost as little as $30). **Talk to a Dartmouth Health pharmacist or call 855-354-7847 or visit: eliquis.com**
No Insurance	**Patient assistance program:** Eligible patients can receive free medication from the Bristol Meyers Squibb Patient Assistance Foundation. **Call 800-736-0003 or visit: bmspaf.org**

If you are unable to afford your medications

Dartmouth Health Medication Assistance Program helps uninsured and underinsured patients receive long-term prescription medications from pharmaceutical companies. Contact your provider's office for assistance with connecting you to their clinic's Medication Assistance Program team.

Medicare	**Patients can apply for Medicare Extra Help (Low-Income Subsidy)** • Call 800-MEDICARE (800-633-4227) or visit www.medicare.gov • Eligible patients can receive financial help of approximately $5,700 annually **Medicare Prescription Payment Plan** allows patients to spread copays out throughout the year. Patients can talk to their Medicare Part D provider or speak with their Dartmouth Health pharmacist for more information about this option.
