About DHMC and Rest Easy

The Dartmouth-Hitchcock Medical Center (DHMC) is New Hampshire's academic Medical Center, serving New Hampshire and adjacent New England states. We are committed to providing high quality, compassionate health care services to our patients, their families, and the communities we serve.

Patients and visitors come to DHMC from across the United States, Canada, and abroad. To accommodate those traveling far distances, DHMC has developed the Rest Easy Program to provide basic information of local lodging facilities (within a 12 mile radius of DHMC) that have expressed a willingness to offer specially discounted room rates, when available, to assist in meeting the needs of patients, their family and friends who wish to stay overnight close to the Medical Center.

Locations of Rest Easy Hotels

Directions to lodging facilities from DHMC can be found at the information desks of the Medical Center, **(603) 650-5246**, or **(603) 650-4514**, or by calling the facility directly.

Reservations

Guests are encouraged to make reservations directly with the lodging facilities. If assistance is needed, or if there are questions, please call one of the DHMC Information Desks at **(603) 650-5245**. Please keep in mind that a Rest Easy Discounted Room Rate Voucher is necessary to receive discounted room rates.

- ➔ Reservations are made on a first-come, first-served basis.
- ➔ The number of "specially discounted rooms and rates" vary between listed lodging facilities. Rates vary by facility, and are not printed in this brochure. Please check with the individual facilities.
- ➔ "Rest Easy" room rates may not be available during special event weeks or weekends and peak tourist seasons.
- ➔ To cancel a reservation, please contact the hotel directly as soon as possible.
- ➔ Guests are responsible for paying the hotel directly.
- ➔ Responsibility for lodging rates, services and accommodations rests solely with the individual facility offering Rest Easy rates.
