

## *Project Medical Education*

### **Code of Ethics**

- I will protect the patient's right of privacy – all information about the patient is confidential.
- Except for the attending physician or the staff involved, I will NEVER mention a patient's name or illness to ANYONE inside or outside of DHMC.
- I will not read ANY patient paper or record unless specifically authorized to do so by the attending MHMH Professional Staff member.
- I will take care not to leave patient papers or records where an unauthorized person could read them.
- When I leave DHMC, I will leave behind all patient-specific information I have heard or seen.
