

Oncology Dietitian Services

Let us help you...

- Create a nutrition plan based on your symptoms or nutrition concerns
- Offer strategies for managing weight change
- Suggest ways to improve your appetite when you are having chemotherapy and radiation therapy
- Help you evaluate herbal and vitamin therapies for safety and effectiveness
- Assist with tube-feeding needs and concerns

Dartmouth-Hitchcock
**NORRIS COTTON
CANCER CENTER**

Norris Cotton Cancer Center

dietitians offer nutrition care at **no charge** to all cancer patients who receive treatment at Dartmouth-Hitchcock Norris Cotton Cancer Center.

Nutrition plays an important role in the fight against cancer. Dietitians are available to answer any nutrition-related questions and offer suggestions on eating well before, during, and after treatment for cancer.

Do you have **questions**
for the **dietitian**?
