Welcome

Dear Colleagues,

This is our 17th Annual DHMC Conference on Trauma for health care professionals who provide trauma care. This year’s conference sessions dealing with emerging trauma issues were chosen in response to suggestions from prior years’ participants. Topics are varied and cover a wide variety of issues. Dr. Hardcastle will deliver the keynote address “Trauma: The South African Experience”. Register early, seats are limited. We look forward to seeing you on October 16th.
