

## How to find the Aging Resource Center:

- From NH Route 120:
  - If approaching from the Hanover area, take a right at the 4-way set of lights that would lead you to DHMC. You are now on Lahaye Dr.
  - If approaching from the Lebanon area, take a left at the 4-way set of lights that would lead you to DHMC. You are now on Lahaye Dr.
- At the next 4-way intersection (set of lights), turn right onto Mt. Support Road
  - Shortly after turning right, you will see the office building on the right.
  - Turn into the third entrance (right) to the building's lot – the building will be on your right
  - Pass by the front parking lot, then you drive around the first buildings – look for Entrance E, there is plenty of on-site parking.
